Senior-led creative services for the

earthworm and drilling industry. No

TWO TIERS. ONE STANDARD.

We offer two tiers of service, both overseen by our senior team with deep industry knowledge. Whether you need strategic leadership or production output, everything we deliver is technically accurate, commercially relevant, and ready to perform.

TIER 1

INDUSTRY EXPERT SERVICES

Delivered by our senior team with deep field knowledge and strategic expertise. Ideal when precision, speed, and minimal oversight are required. Day rates and monthly retainers available.

TIER 2

AGENCY CREATIVE SERVICES

Project-based design and production, delivered by trusted partners and overseen by our senior team. Every output benefits from industry alignment and QA by our leadership, without requiring premium time throughout.

OUR APPROACH

RATES VARY BY COMPLEXITY, URGENCY, LOCATION, AND DELIVERABLES.

We quote transparently to suit each project. The only way to guarantee our availability is through a retainer agreement.

LET'S WORK TOGETHER

READY WHEN YOU ARE.

We're selective about who we work with — which means when we do take on a client, we're genuinely invested in the outcome. Let's talk about your project.
